

Membership

Opportunities

Golf "A" Membership

Unlimited access for member, spouse and dependent children (26 and under) to all Club facilities including golf course, restaurants, tennis and paddle courts, pool, locker rooms, and fitness center. Spouse of "A" Member may not tee-off prior to 11:45 AM on weekends; children under the age of 14 may not tee off before 3:00 P.M on any day except during the Parent-Children Tournament, or unless authorized by the Professional Staff.

Young Executive Membership

Available to new members under the age of 40. This membership includes unlimited access for member, spouse and dependent children (26 and under) to all Club facilities including golf course, restaurants, tennis and paddle courts, pool, locker rooms, and fitness center. Young Executive members may play on weekend and holiday mornings however tee times may not be made prior to the preceding Wednesday of each weekend. Spouse of Young Executive may not tee-off prior to 11:45 AM on weekends; children under the age of 14 may not tee off before 3:00 P.M on any day except during the Parent-Children Tournament, or unless authorized by the Professional Staff. At the age of 40, member is required to matriculate to an "A" Membership and will be responsible for paying the balance of the "A" Membership Initiation Fee that was in place at the time they became a Young Executive Member.

House Sports Membership

This is a two-year introductory membership that offers access for member, spouse and dependent children (26 and under) to all Club facilities including limited golf and complete use of the restaurants, tennis and paddle courts, pool, locker rooms and fitness center. Golf is limited to a total of 12 tee times per month for the entire family (not 12 tee times per individual). House & Sport Members may make tee times after 2:00 P.M. on Tuesdays, Wednesdays, Thursdays, Saturdays, and Sundays; no tee times are available on Fridays. Member and family are subject to greens fees for each round played. Locker room privileges include use of a guest locker or men's half locker if available.

At any time, during the two-year membership, the House & Sports Member can matriculate to "A" membership and apply all initiation fees paid to-date towards their "A" membership (Only if matriculating directly from House & Sports to "A" Membership). After the completion of the two-year membership, member also has the option to downgrade to a non-golfing membership and will forfeit any initiation fees paid. Each membership year (January – December) will count towards your allotted two year membership. The first membership year begins on the date you join the Club and ends on December 31 of that same year. Therefore, in most instances, the two year period is likely to be less than a full 24 month cycle.

North Jersey Country Club
